Help Us Make the 2026 Grand Lake Fireworks Show the Biggest Yet!

Dear Grand Lake Fireworks Supporter,

This summer, one of Grand Lake's most cherished traditions returns for its 16th year — the Grand Lake Fireworks Show will once again light up the sky Friday, July 3, 2026, at dusk between the two spillways in Disney, Oklahoma.

This celebration was founded and led by Judy Barger, whose dream was to bring people together under a sky full of fireworks in South Grand Lake. After Judy's passing, her daughter Monica Shonkwiler continued that tradition with her mother's same heart and dedication. Monica is now preparing to pass the torch to the South Grand Lake Area Chamber of Commerce, which will carry the legacy of this show forward beginning in 2027.

"We're honored to continue what Judy Barger and a dedicated group of volunteers started 16 years ago — and what Monica has so lovingly carried on after her mother's passing," said Dana Bell, Executive Director of the South Grand Lake Area Chamber of Commerce. "This fireworks show represents the very best of our community, and we look forward to helping it thrive for another 20 years and beyond." Each year, this show is made possible only through donations and local support — contributions from people like you who believe in Judy's vision of family and community. Every dollar goes directly toward fireworks, event logistics, and safety — ensuring a magical, safe, and memorable experience for everyone at Grand Lake.

Now, as we prepare for this special 2026 celebration and the exciting transition ahead, we're inviting you to help keep the tradition alive. Here is how you can help:

- Donate online at www.GrandLakeFireworks.org
- Or send a check by mail to: Grand Lake Fireworks, Inc., PO Box 643, Disney, OK 74340

Every contribution — large or small — helps light up the night sky and keeps this community celebrating together!

Thank you for being part of Judy's dream, Monica's dedication, and the Grand Lake community that continues to make this show possible year after year. We can't wait to celebrate with you the 250th Anniversary of Independence Day on Friday, July 3rd, 2026!

With heartfelt gratitude,

The Grand Lake Fireworks Team
